Where Young Minds Flourish

Est. 2008 • A Licensed, Non-Profit Society • Coquitlam, BC

**We believe every child is born with unique superpowers waiting to be discovered.**

Our purpose is to create a warm, safe, and inspiring environment where children can confidently grow, learn, and explore their natural curiosity. For over 16 years, families in the Tri-Cities have trusted us to nurture that journey.

# Our Commitment to Your Child

## Authentic Montessori

Child-centered learning that fosters independence and a lifelong love of discovery.

## A Loving Community

More than just a daycare, we are a family where every child feels they belong.

## Safety First

A licensed facility complying with all health and safety regulations for your peace of mind.

## Dedicated Educators

Experienced, certified teachers who are passionate about early childhood development.

# Our Method: The Prepared Environment

The Montessori approach is not just a curriculum; it's a carefully prepared environment. Every element of our classroom is designed to be accessible, engaging, and to empower your child to lead their own learning journey. Let's take a look inside.

# Practical Life Skills

Building independence, concentration, and fine motor control.

Through real-world activities like food preparation and caring for their **environment**, children develop coordination and a **powerful sense of purpose** and **capability**.

# Making Abstract Concepts Tangible

## Sensorial Materials

Children develop and refine their senses by exploring materials with different textures, sizes, colors, and sounds.

## Mathematics Corner

Concrete, hands-on materials make concepts like quantity and sequence understandable, sparking a love for numbers.

# Opening Their Minds to the World

## Language Development

From tactile letters to reading materials, we create a rich environment that builds a strong foundation for literacy.

## Cultural Studies

Geography, science, and cultural materials expand a child's understanding of the world and their place in it.

# Fresh Air and Room to Grow

Our safe and engaging outdoor space is designed for physical development, collaborative play, and nature exploration. It's a vital part of our daily adventures, in every season.

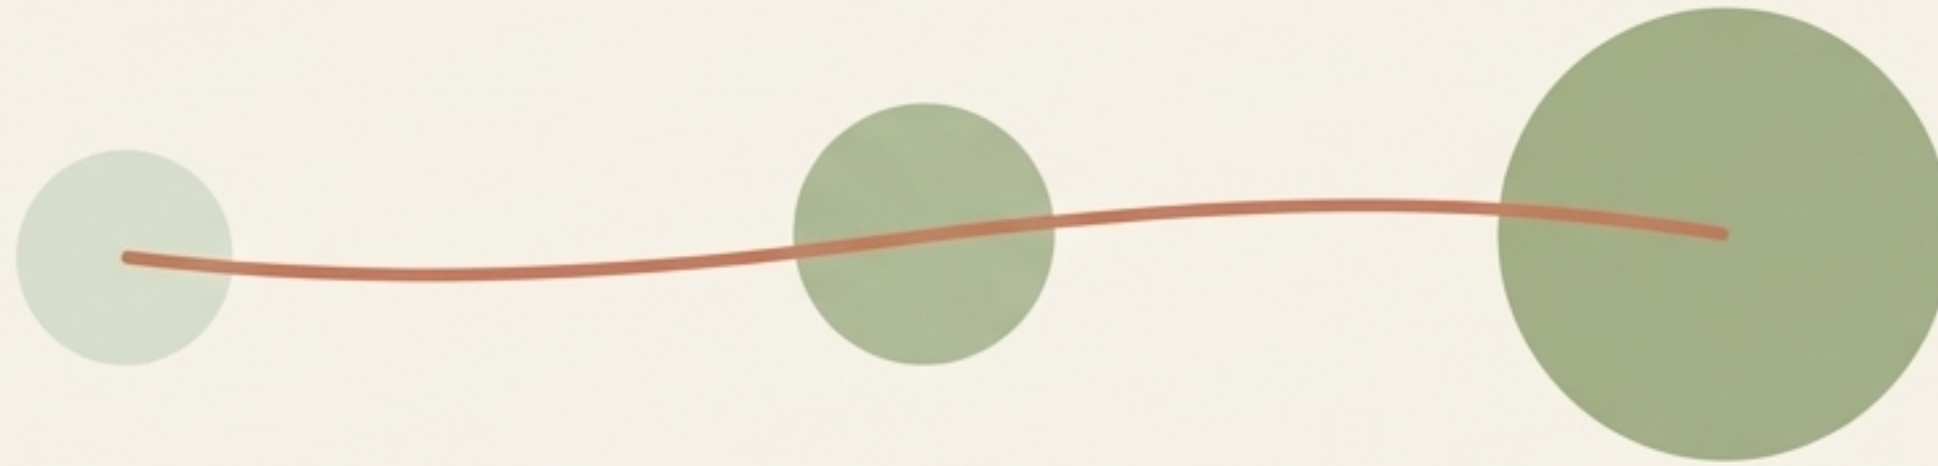

# Guided by Teachers Who Truly Care

Our team of experienced, certified Montessori educators are the heart of our community. They are expert observers and gentle guides, dedicated to understanding and nurturing the unique potential of each child.

# A Path for Every Stage of Early Childhood

Our programs are thoughtfully designed to meet the developmental needs of your child as they grow, from their first steps into a structured environment to their final preparations for kindergarten. Each program builds on the last, creating a seamless and supportive learning journey.

# Our Programs

## Toddler Program

30 months - 3 years

A gentle introduction to structure, social skills, and the joy of discovery in a nurturing, safe environment.

## Preschool Program

3 - 4 years

Deep engagement with hands-on Montessori materials, fostering concentration, independence, and creative expression.

## Pre-Kindergarten Program

4 - 5 years

Focus on advanced concepts, leadership skills, and school readiness to ensure a confident transition to kindergarten.

# A Glimpse into Our Daily Adventures

Each day is a balanced blend of structured group activities, independent exploration, creative play, and outdoor time. Our developmentally appropriate curriculum provides many opportunities for self-expression, interaction, and joyful learning.

# Experience the Friendship Corner Difference in Person

Photos can only show a glimpse of our carefully prepared environment. The best way to understand the warmth of our community and the magic of Montessori learning is to see it for yourself.
